

I have special dietary requirements – can I still reserve a table?

Due to the fact that our cuisine uses entirely natural ingredients, we regret to say that we are unable to allow for all intolerances and allergies.

Nor do we offer a vegan dining experience.

If you would like any changes to be made to the menu, including the incorporation of vegetarian food, please let us know at least 48 hours in advance. We will do everything we can to meet your requirements to your utmost satisfaction.

How much time should I allow for this culinary journey?

We recommend setting aside at least three and half hours. In this way you can take all the time in the world to savour the experience to the full.

Cancellation policy

Reservations may be cancelled at no extra charge up to two days prior to your booking, after which 50% of the menu price will be charged to your credit card in the event of a cancellation.

Are pets allowed?

Your pet will have to do without you for an evening: we don't allow animals in the restaurant.

Is there a dress code?

We want you to relax without formalities and enjoy yourself in an informal, carefree atmosphere. For this reason we don't have a dress code.

Are children allowed?

We leave this decision to you. If you would like to have your children at the table with you for three and a half hours, they are more than welcome. Please note that we don't offer special children's dishes. However, if you let us know when you place your reservation we will be pleased to serve a child-friendly menu.
